Association of Violin Makers*

*"To encourage the continued  
development of the art"*

*The Southern California Association  
of Violin Makers is looking for  
people who are interested  
in learning how to make violins.*

*For \$30 a year, we will send you  
our monthly bulletin which takes  
you step by step through the process  
of making a violin. Whether you  
want to make your own violin or  
just follow along to learn more  
about the instruments, SCAVM  
bulletins, forums and workshops are  
a real value.*

*We look forward to hearing from you!
